Want to sponsor, but not necessarily run? Support an EPHS Track Member!

Many of the levels have registrations and t-shirts as part of their sponsorships. If you aren't interested in running, simply put "Student" under the registration portion of your sign up and we'll work with the track team to open it to local students. (NOTE: You can still keep your t-shirt, though – so be sure to choose your size when signing up.)

Please make checks payable to East Prairie Class of 2027 Project Graduation
